Entry List For Meet Shows Star Swimmers

Duke Kahanamoku, Ludy Langer, Frances Cowells, Bernicia Lane and Other Natators on List—Miss Lucile Legros Fails to Register for Aquatic Meet, But Will Be Entered With Another Late Competitor—Swim Events Big Feature of Carnival Athletics

The entry list for the swimming meet on February 22 was completed last evening and shows a long list of star swimmers who will compete in the big aquatic meet in the harbor. In the official entry list the names of two champions stand out, Duke Kahanamoku and Ludy Langer. These two world champions will meet in the 220, 440 and 880 yard swims.

In addition to the world's champions, Miss Frances Cowells, holder of many Pacific coast records, will be entered in the 50, 100 and 220-yard events. Miss Cowells will meet several of the best swimmers, including Miss Lane, Miss Legros and other aquatic stars. Miss Cowells has made fast times in the different events, making the 50-yard back stroke in 45 seconds, the 50-yard swim in 33.2, the century in 1:16.4, the 220-yard swim in 3:20 and the 350-yard event in 5:47.1.

Lane Entered. Clarence Lane, the Kruger boys and many other stars are entered in the sprint events, and these races should prove interesting, as several of the natators intend to smash Duke's records in these events.

In the 50-yard and 100-yard events, Duke is entered against the other stars, but it is not certain that he will compete in all of these events. In that case the race should prove to be interesting, with Clarence Lane a slight favorite over Keliipio of Hilo. Other entries in these events are the Kruger boys, who have a good record in the short distances, and Kanakani and Kaupiko of the Hui Nalu.

Duke and Langer. In the 440-yard swim the interest will be centered in Duke and Langer. Brundage and David Kahanamoku will also enter this event, and many of the swimming devotees are banking on Rowat to take up in this race.

Perry and Brundage should figure in the half mile event, as these two stars have been making fast time over the distance. **Miss Legros Not on List.** According to the entry list given out last night, the name of Lucile Legros does not appear in the entry list in the ladies' events. Miss Legros failed to register, and unless some arrangement can be made the local star will not appear in competition against Frances Cowells. Bernicia Lane has entered in the 50-yard swim, and as she has made the distance in close to 33 seconds should give Miss Cowells a good race.

Duke Kahanamoku will be going out of his race when he meets Ludy Langer in the 440 and 880-yard events. If Duke should be defeated in either one of these events the word will go around the world that the champion has been defeated. Many people fail to understand that Duke is going out of his usual race to meet the star long distance man, and those who are backing the local champion to win should remember this fact.

Duke a Real Champion. Howard Drew or Joe Loomis would have a mighty hard time winning from Norman Taber or Joe Ray in the mile or from Caldwell or Campbell in the half-mile race, still they would not be going out of their distance any more than Duke is in competing in the half-mile event. Duke is the present champion in the sprints, and is likely to hold the mark for some time, but should he be defeated in the long distance events there is no cause for the statement that he has gone back. This will be heard, as is always the case, should he happen to lose, but it will not carry much weight with those who know the swimming game.

Duke will have many followers when he enters the long events against Langer, and he is banking on winning. The short distance star has been covering the longer swims in good fashion.

ion, and if he should defeat the California man it would be one of the greatest feats in athletics. Langer is a thorough good sportsman, and should he win from the local man will be given all credit, while Duke will surely reap a harvest of laurels if he can annex another record to his list.

Trials Dashed. Several of the star contestants practiced in the harbor yesterday. Miss Frances Cowells, Duke Kahanamoku, Ludy Langer and N. Peterson, the latter being the trainer for the visitors from the coast, worked out yesterday morning. Late in the afternoon, Miss Lucile Legros went over a 50-yard course and an 80-yard course, but without doing her best. Both Miss Cowells and Miss Legros did the 50 yards around 33 seconds, and it is not improbable that in the Carnival event they will break the island and American records.

Miss Bernicia Lane, local swimmer, who will be one of the favorites in the ladies' swimming races at the big aquatic meet on February 22. Miss Lane has made fast time in the 50 yards and 100 yards event, and her friends expect that she will be a strong contender against Miss Cowells and Miss Legros.

CHAMPION DUKE HAS MANY AFTER HIS WATER TITLE

NEW YORK, N. Y.—This year, which has opened so auspiciously for American water sports, threatens to dim the glory of some of the veteran aquatic champions whose supremacy has long been undisputed. Youths totally unknown to fame 12 months ago have since leaped into the limelight, pressing to the fore with irresistible vigor, and the budding new year finds them in the first line of trenches, ready for a dashing attack on the oldtimers with every prospect of success.

It would have been heresy at the outset of 1915 to have mentioned Herbert Vollmer, Norman Ross, Russell Dean, Leo Handy, Clement Browne, Herman Laubis and a few others just beginning to find their speed as possible rivals to Duke Kahanamoku, Arthur Rathel, Perry McGilivray, Harry Hehner, Ludy Langer, Bud Goodwin and Joseph Wheatley, the great title and record holders. Today every expert admits the possibility of seeing the latter defeated by the newcomers.

And the admission is the more significant of the sensational progress made and expected of the rising stars, that none believes the present leaders have reached the turning point. On the contrary, it is the general opinion that they will go on improving for some time to come yet, that the more rapid strides of their younger opponents will presently cause their downfall.

It will be a stirring fight for aquatic honors this year, and whoever the eventual victors, it will take record performances to capture premiership in any line.

Herbert Vollmer of the New York Athletic Club and Columbia, broke the world's swimming record for 150 yards at the New York A. C., New York City, January 10. He was timed in 1 minute 29.45 seconds. The old mark was 1 minute 32.25 seconds.

It is also understood that M. F. Sweeney, an instructor in physical culture at Hill School and a former well known athlete at St. Francis Xavier's college, is to be called as a consulting coach.

10-200 yards back stroke for men. 11-75 yards for boys. 12-220 yards for men. 13-220 yards for women. 14-Relay race (six men, each man swimming 75 yards). 15-Relay race for enlisted men (six men, each man swimming 75 yards).

WEIRD EXHIBIT AT BALL YARD ON WEDNESDAY

Olympics Win From Honolulu in Listless Game to Handful of Fans

A writer of fiction or a real-dyed-in-the-wool press agent might weave a strange story calling yesterday's affair at Athletic Park a baseball game, but the aforementioned literary men would have a mighty hard time convincing the handful who gathered at the park yesterday afternoon that they were witnessing a real ball game.

Even men closely identified with the project of bringing the Olympic club team here held up their hands and stated that as a good ball game it was a fine comedy or farce, with the accent properly construed. The result of yesterday's affair was a victory for the Olympic team by a score of 9 to 4.

Poor Pitching.

Schammel was on the mound for the visitors, and he was opposed, pardon the term, by Tony Medeiros. Neither one of the pitchers had anything more than a glove and a prayer, but Schammel won out, not because he was the star, but because the Honolulu failed to play the grand old game in any shape. Had the Chinese, Punahou or Saints opposed Schammel yesterday, bingles galore would have hied themselves out in the jungles.

As it was Bart Burke had Howedge out on the sidelines several times ready to send his crooked slants at the opposing batsmen.

Fan Lost Out.

The lone fan who paid \$1 for a seat in the front row was the aim of the players. They tried to give the aforementioned fan a run for his money, but, alas, after he had gathered about 15 cents worth of baseball up to the seventh inning he removed himself from the park, and others who paid 25 cents for real good bleacher seats followed his example.

"Blondy" Williams is looking for a position as a baseball pitcher with some good team. "Blondy" doesn't care about the wage so much, but he wants an opportunity to go out on the mound and heave them over the rubber. Yesterday afternoon he was all ready to stop the visitors when Pat Medeiros, "Blondy" immediately donned his traveling clothes and watched the game from the stand.

Chauncey Hits Homer. Medeiros went all right for a minute, and then McGrath started the doings with a triple, and after that the hits came in gobs and bunches, and Chauncey Traumatola slammed one over the wall for a homer.

Riordan, Barker and Benn hit bingles off Medeiros, and when Bushnell went into the fray the visitors again slammed more hits off him. The Olympics fielded and batted like big leaguers—that is, if you want to read fiction, but all they had to hit was a few straight ones, and the crowd did not go wild over the fielding stunts. The Olympic players have played much better ball than they did yesterday afternoon.

Gallagher was the batting star for the Honolulu, landing a homer and a double in three times up. Carroll, Fernandez and Dumshot also gathered hits. Dumshot was the only player on the field yesterday who starred in the fielding game. He had two difficult chances which he handled in fine shape. All other players were on the soft side of the plays.

Last Night's Match.

Colts 2, Honolulu 1.

Tonight's Match.

Nationals vs. P. B. C.

Tomorrow's Match.

Honolulu vs. Fort McDowell.

The Honolulu won the season's bowling championship at the Y. M. C. A. last evening by annexing the opening game with the Colts. Captain Mills' men had the task of winning one game from the Colts in order to finish in front of the Service.

They went after the opening game with a vengeance and there was all manner of noise and rooting around the "Y" alleys. When Scorer Mosley tallied up the final scores and found the Honolulu had 860 to their opponents' 796, bedlam broke loose among the Hons and their followers for the championship of 1915-16 was theirs.

With the strain removed the teams proceeded to roll a beautiful second game, which went to the Colts, 885 to 867, when Creed struck out in the last frame. The third game found the Honolulu rather careless, while the Colts bowled their best in order to win the match. Capt. Chamberlin's men led, 817 to 777, at the close, but the Honolulu took the total pinfall, 2504 to 2498.

Creed proved the star of the evening with an average of 189 and 214 for high score. Walter Haney celebrated his last match before leaving for Kauai by averaging 179 and bowling the best individual game on the Honolulu team. Haney and Winne were the chief factors in winning the decisive opening game and Leslie Scott also did very well.

Emmans and Chamberlin for the Colts both averaged better than 170. Scott and Mills did likewise for the Honolulu. Winne bowled his first two games well, but slumped in the third.

Tonight the Nationals and P. B. C. bowl the closing match of the present league season. Two new leagues will be organized right after the Carnival. Last night's scores:

LUCILE LEGROS TO BE ALLOWED IN SWIM EVENT

Swimmers Will Be Given Until Friday Afternoon at 5 o'Clock to Register

Lucile Legros and the other swimmers who failed to register for the swimming meet on February 22, will be allowed to enter the meet providing that their entries are turned in by Friday afternoon at 5 p. m. Last night, when the entry blanks were checked up, it was found that a number of the swimmers had not registered for the aquatic events, and among the number was Lucile Legros, who was picked to win from Miss Cowells.

The committee stated that they had given plenty of time to those to enter, and they felt that they were giving the swimmers further advantage by extending the time, but they wanted to impress upon the minds of the swimmers that the entry list should be complete at the time set. It was announced that in the future no extension of time will be made, no matter what the outcome may be.

Those who wish to enter the meet may receive their registration cards by applying to John Soper at the Hawaiian News Company before 5 p. m. tomorrow afternoon. The committee has announced that there will possibly be no entries received after that time. Now that Miss Legros is given an opportunity to register, the swimming devotees are looking to see a victory over the mainland girl swimmer. Miss Cowells has been making fast time in the trials and the locals will have to make a new mark to win in the event.

Peter Oliver of Kauai, who was entered in one of the meets in 1914, arrived in Honolulu this morning and his entry was handed in to Mr. Soper. Oliver has been in training for some time and will enter the sprint events. He has not timed himself in the various events, but states that he will be up with the other natators.

MILE IN 38 SECONDS NEW U. S. AERO RECORD

ITHACA, N. Y., Feb. 2.—All American records for speed were eclipsed here by Aviator Frank Burnside, who several days ago attained an average speed of 95 miles an hour. The record was made in a Thomas military tractor or biplane over a measured half-mile course. Burnside's speed averaged a mile in 38 seconds.

The flight was officially timed by J. J. Frawley, a representative of the Aero Club of America.
